When is a good time for me to purchase something?

The Merch Crew will be at the merch table before and after Jim's workshop each morning. Instructors may be able to take payments at the end of their workshops.

What should I know about the bath house?

Consider showering during the day rather than at peak times (the beginning and end of the day).

If you haven't purchased a meal plan, please check-in and pay for food before your first meal. See the staff member at the table near the line for food.
